Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

For Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 184 (b) (1) states that an individual who is not a citizen or permanent resident of the United States shall not be permitted to file an application for a patent in the United States unless the application is first filed in a foreign country. This application will be deemed to be filed in a foreign country if it is filed in a country that is a member of the Paris Convention for the Protection of Industrial Property. The Paris Convention is a treaty that provides for the protection of industrial property in member countries. The United States is a member of the Paris Convention. Therefore, this application may be filed in a foreign country without a license. However, if the application is not filed in a foreign country within 6 months of the filing date, it will be deemed to be filed in the United States and a license will be required.
